i. An attorney experienced in legal matters related to diabetes;

j. Ten (10) public members.

3. Each department, office, division or agency of State government is authorized and directed to cooperate with this Commission to the extent possible and to make available to them professional, technical and administrative assistance and such other information and resources as may be necessary for the Commission to carry out its designated responsibilities.

4. The Commission shall render a report of its findings and recommendations to the Governor during the first week of July, 1985.

5. Members of this Commission shall receive no compensation for their services except that such members may be reimbursed for actual travel and related expenses.

6. This Order shall take effect immediately.

Issued June 28, 1984.

EXECUTIVE ORDER No. 75

WHEREAS, The commercial fisheries industry has great potential for growth in New Jersey and is presently underdeveloped and underutilized; and

WHEREAS, It is in the interest of this State to stimulate potential growth in the commercial fisheries industry into a valuable, self-sustaining economic resource; and

WHEREAS, The development of the commercial fisheries industry requires cooperation and coordination with various existing State and federal management agencies and private industry, to insure that economic growth and development are maximized while insuring the protection and maintenance of this significant natural resource;

Now, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:
1. There is hereby established a New Jersey Fisheries Development Commission, which shall be comprised of the State Treasurer, Department of the Treasury, who shall be Chairman of the agency; Commissioner, Department of Environmental Protection; Commissioner, Department of Commerce and Economic Development; Secretary, Department of Agriculture; Director, Division of International Trade, Department of Commerce and Economic Development, and one representative appointed by the Governor from the commercial fishing industry, aquacultural interests, the commercial/recreational fishing industry, the recreational fishing community, and the banking community in the State.

2. The New Jersey Fisheries Development Commission shall have the following powers and duties in addition to others set forth herein:
   a. To receive and evaluate financing proposals from the private sector for the development of commercial fisheries in the State;
   b. To receive and evaluate infrastructure proposals from the public sector for the development of commercial fisheries in the State;
   c. To provide consulting assistance to industry and local government concerning commercial fisheries industry development;
   d. To recommend and coordinate development projects with industry and local governments;
   e. To seek and evaluate additional funding sources for commercial fisheries development;
   f. To conduct studies concerning commercial fisheries development;
   g. To coordinate commercial fisheries development and management functions among the various agencies of State government;
   h. To request cooperation and assistance from State agencies in the performance of its powers and duties set forth above;
   i. To cooperate with regional and national commercial fisheries development efforts; and
   j. To establish advisory committees.

3. The Commission is authorized to call upon any department, office, division or agency of the State to supply data, reports and other program information, personnel or materials deemed necessary to perform the Commission's responsibilities under this Order.
4. The Commission is authorized to solicit and receive funds from federal, State, and bistate agencies in furtherance of its purposes and to expend same in carrying out its duties pursuant to this Executive Order.

5. The Commission, within the limits of such funds made available to it pursuant to this Executive Order, may select and retain any agents, assistants and employees deemed necessary to enable it to carry out its duties and exercise its powers as set forth in this Executive Order.

6. Each department, office, division or agency of the State is authorized and directed, to the extent not inconsistent with law, to cooperate with the Commission and to furnish such information and assistance as it may find necessary in the discharge of the Commission's responsibilities under this Order.

7. The Commission shall render to the Governor such interim reports as it may deem appropriate or as the Governor may request, and upon the completion of its work, the Commission shall render a full report of its findings and recommendations, as it deems appropriate.

This Order shall take effect immediately.

Issued June 28, 1984.

EXECUTIVE ORDER No. 76

WHEREAS, A work stoppage of employees of certain solid waste contractors has occurred which may substantially affect garbage hauling services in numerous municipalities and counties in New Jersey; and

WHEREAS, A potential public health threat may arise if adequate disposition of such waste is not made;

NOW, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:
